Alcona Township Fire Department Board Report July 12, 2009

On June 20, 2009, the University of Findlay held training on hazardous materials and emergency response to railcar incidents at Alpena's Combat Readiness Training Center. The members of Alcona Township Fire Department attended this nine-hour class.

On June 18, and July 8, 2009 meetings were held at Barton City Fire Department to go over the organization of the new dive team. Present at the meetings were Alcona County Sheriff Doug Atchison, and Alcona Fire Departments. Discussions consisted of grants and dive equipment.

Respectfully submitted,
