

**Alcona Township Fire Department
Board Report
August 11, 2009**

I sent letters to Lost Lake Woods Rummage Sale Committee and Cabin Owners Association to ask for donations of monies to support our dive team. This money will be used to purchase equipment for the team.

Lt. Scott, who heads the dive team, attended a rummage sale committee meeting to discuss the type of equipment needed. The committee approved \$2000.00 for the dive team, and \$300.00 for Fire Marshal, Greg Oke.

A fire department business meeting was held on July 22, to discuss our upcoming open house and training classes.

Respectfully submitted,

Ralph M. Klotz, Chief

SUBJECT: Donation of Monies to Alcona Township Fire Department's Dive Team

Dear Ellen:

I am writing to the Rummage Sale Committee to ask for a donation of monies in support of Alcona Township Fire Department's new dive team. As of the present date, the dive team consists of six divers; four are certified in open water dives. The remaining two divers are in the process of getting their certification.

Lt. Dennis Scott is organizing the dive team and hopes to outfit between four and six divers. However, dive equipment is expensive. The approximate cost to outfit one diver with a dry suit is \$2500.00.

The dive team will not only benefit Alcona Township, but will also provide service to Alcona County and Alpena County at no cost.

In years past, the Rummage Sale Committee has generously provided support for the purchase of Ice Rescue equipment and I hope we can count on your support again this year. Thank you.

Sincerely,

Ralph M. Klotz, Chief
