**Alcona Township Fire Department
Board Report
September 8, 2009**

We have two applicants for station #2 East Bay. First applicant is Sara Escareno, she is applying for firefighter and medical first responder. Ronald Tacia is also applying, but only as firefighter. Ronald was on the Rose City Fire Department. The department did a background check on both applicants, and they came back clean.

Our open house was successful; 130 people attended. Our department received compliments on its equipment, training procedures, and our new dive team.

Respectfully submitted,

Ralph M. Klotz, Chief
