Alcona Township Fire Department Board Report January 12, 2009

We received the check from AAA Insurance Company for \$15,600 for the purchase of the new "Jaws of Life" equipment. I will be contacting several dealers to set up demonstrations of the equipment, for fire department personnel and I, at which time we will decide what company we want to purchase from.

The Lieutenant Post at station three, Lost Lake woods Club has been offered to, and accepted by Ellen Oke.

Respectfully submitted,

Ralph M. Klotz, Chief
